(b) the details of companies which have been allotted coal linkage for thermal power plants in the country, State and company-wise;

(c) the name of the companies which have not yet been allocated coal linkage along with the reasons therefor;

(d) the name of the companies which have not utilized the coal linkage allocated to them till date along with the name of companies have sold coal linkage to other companies; and

(e) the action taken against the companies which have misused the coal linkage to make profit illegally?

Answer

MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF POWER (SHRI JYOTIRADITYA M. SCINDIA)

(a) The list of thermal and hydro power projects operated by private power companies in the country State-wise, source-wise, capacity-wise and company-wise are given at Annex-I. The list of hydro and thermal under construction power projects in the private sector are given at Annex-II and Annex-III, respectively.

(b) The details of companies which have been allotted coal linkage (linkage, Tapering linkage and Coal Block) for thermal power plants in the country, State-wise and company-wise are given at Annex-IV.

(c) The private companies whose projects are under construction but coal linkage has not been allocated are given at Annex-V. These private companies have been pre-qualtfied and prioritized by CEA along with other companies who submitted coal linkage applications to Ministry of Coal as per the coal linkage policy issued by Ministry of Power, These projects are yet to be considered in the Standing Linkage Committee of Ministry of Coal for coal linkage.

(d) & (e): Details of private power companies which were allotted coal linkage but not yet started construction of their projects are given at Annex-VI.
